Shaik Saleem

Artificial Intelligence and Data Science Undergraduate
Chaitanya Bharathi Institute of Technology (CBIT), Hyderabad, India
Portfolio | GitHub | LinkedIn | LeetCode

Education

Chaitanya Bharathi Institute of Technology (CBIT) 2024–2028
B.E. in Artificial Intelligence and Data Science CGPA: **8.44/10**

Sri Medha Junior College 2022–2024
Intermediate **96.2%**

NCL High School 2022
Secondary Education **9.8/10 CGPA**

Technical Skills

Programming: Python, C, C++, Java, SQL
Data Analysis: NumPy, Pandas, Matplotlib, Seaborn, Microsoft Power BI, Jupyter Notebook
Web Development: HTML, CSS, JavaScript, React, Node.js, Express
Databases and Platforms: MySQL, MongoDB, Supabase, Vercel
Tools: Git, GitHub
Core Concepts: Data Structures and Algorithms, OOP, DBMS, Machine Learning, Data Visualization, REST APIs

Projects

Student Portfolio Management System (SPMS) – Project Lead GitHub Repository

- Led development of a student portfolio management system using Supabase and Vercel to organize student achievements.
- Exploring certificate information extraction and anomaly detection for credential verification.
- Live Demo

INSPACK – AI-Based Legal Metrology Compliance System GitHub Repository

- Led project development focused on AI-assisted inspection and compliance checking of packaged commodities under the Legal Metrology Rules, 2011.
- Took primary responsibility for implementation and integration of project components.
- Live Demo

Portal for Retrieval of Lost Items in College – CBIT GitHub Repository

- Independently developed a campus lost-and-found portal to help students report, search for, and retrieve misplaced items.
- Live Demo

Traffic Accident Data Analysis – Personal Project GitHub Repository

- Independently analyzed traffic accident data using Python, Pandas, NumPy, and Matplotlib.

Certifications

- **Oracle Cloud Infrastructure 2025 Certified AI Foundations Associate** – Oracle, Jan 2026 (Verify)
- **Networking Basics** – Cisco Networking Academy (Verify)
- **Operating Systems Basics** – Cisco Networking Academy (Verify)
- **SQL (Basic)** – HackerRank, Apr 2026 (Verify)
- **Responsive Web Design** – freeCodeCamp, May 2026 (Verify)
- **Data Analytics and Visualization using Microsoft Power BI** – Pantechelearning, Oct 2025
